

## New booking out procedure

Contributed by Richard Price, Air Traffic Control Officer

There is now a requirement to book out for ALL flights that do not require a flight plan to be filed. This now includes circuits.

Pilots are requested to give the following details of the flight:

1. Callsign
2. Training/flight details
3. POB
4. Contact details if requested

Contact should be made to the ATC Supervisor on 446087
