

# Welcome to the JERSEY AERO CLUB

## March 2023 members newsletter

### Update from the Committee

Due to Tony leaving, the café will be closed every Tuesday for the next few weeks in order to give Fatima a day off. We will still have honesty tea and coffee from the Nespresso machine & Fatima will leave plenty of fresh milk in the fridge.

We think we have found a replacement to cover Fatima's days off but it will take a few weeks before we can open 7 days a week as before. This person is moving back to Jersey, having previously worked here for a while, but is having difficulty in finding somewhere to live. They are looking for something quite simple, a single room would suffice, so if anyone knows of anywhere, please let us or Fatima know.

### GWINS ditching - *Talk by Paul Clifford and Duncan Laisney*

### Date for your diary - Tuesday 21st March

**GWINS ditching**  
3<sup>rd</sup> November 2022

**Jersey**

7.00pm	Welcome and Introduction	Paul Clifford
7.10pm	Nice Day for a ditching lesson	Duncan Laisney
7.25pm	Landing on water	ATC
7.40pm	Controlling the airspace	
8.00pm BREAK		
8.15pm	Sea search and rescue coordination	Coastguard
8.30pm	The sea rescue operation	RNLI
8.45pm	Questions and discussion	
9.30pm	Close	

An evening not to be missed!

Many of you will want to come and listen to Paul and Duncan's sobering story. So much to learn and so many people coming together to ensure a great outcome!

The bar will be open.

... by Abbigale Austin

Congratulations to Chris Marshall who completed his first solo in GEHLX. Chris has a helicopter license and flies G-MEEP .He is now doing a fixed wing conversion.

Many congratulations also to Simon Franc and Thomas Crawford who did their first solo this month.

With better weather and summer round the corner, we are getting busier with lots of PPL students and trial lessons. We now have over 40 new PPL students!

Welcome to Tony Holloway who has joined our team at Synergy and will be on the desk! He is doing a fab job already and learning fast. Many of you will already know Tony who has been working alongside Fatima for a number of months.

I'm leaving and it'll be my last day on March 10th. I'm won't be far and will be coming in lots to fly! I' will be away from July to do my multi-engine instrument rating at Aeros in Gloucestershire.

If anyone else is hour building, I'd love to go on group trips with them as I need to build about 25 hours before i go away!

I believe Glen will be looking for some part-timers to replace me with.

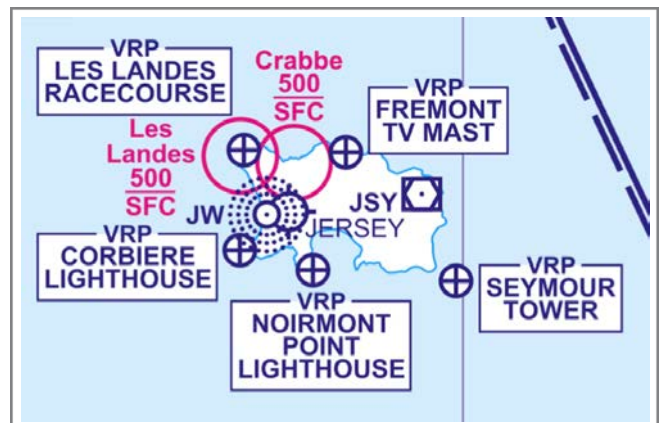

Update ... by Richard Hawkin

## News from ATC

On March 23rd, there will be a change to Jersey's Reporting Points as shown in the chart.

The North West Corner becomes Les Landes Racecourse and the South East Corner becomes Seymour Tower

*... by Eveline Hawkin*

We are planning our first event of the year on Sunday 30th April - our Spring Flying Day.

As well as a flight around the island offered generously by our volunteer pilots, this year, we are delighted that the visits to the Control Tower are resumed.

We are also looking forward to the Channel Island Air Search aircraft paying us a visit.

Our 2023 flying bursary application form is now available on our website on [www.helpingwingsjersey.org](http://www.helpingwingsjersey.org)

With the support of Ports of Jersey, we are able to offer 10 hours flying with Synergy Flight Training.

If you know of anyone who would benefit of such an opportunity, just direct them to our website or our Facebook page.
